US dollars, Canadian dollars, British pounds, Australian dollars and South African rand are no longer accepted for local payment. The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

When traveling in Africa you will encounter full days of sightseeing, frequently in warm temperatures. In order to most fully experience the wildlife, you will be traveling by custom built safari vehicle which requires climbing in and out frequently and travel on bumpy roads. To experience Africa fully, we recommend that all guests be in reasonably good health and prepare properly. Unfortunately, wheelchairs cannot be accommodated on this trip. In addition, passengers who require assistance walking or who travel with oxygen tanks will not fully enjoy this trip and we strongly recommend a different tour.

Each traveler is responsible for proper documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from.

Malaria pills are recommended when visiting Zimbabwe and Botswana. Consult your physician 2-3 weeks prior to departure.

If you are traveling with children under the age of 18, South Africa requires that those children must have proper documentation and/or consent when traveling into or out of

the Republic. Please refer to www.dha.gov.za/index.php/statements-speeches/621-advisory-new-requirements-for-children-travelling-through-south-african-ports-of-entry-effective-1-june-2015 for the most up-to-date details on requirements. Please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Please be aware that if your flight schedule is via Dubai or if you are stopping over in Dubai and are carrying narcotic drugs, controlled or semi-controlled drugs, then you will be required to complete an electronic form prior to entering the country, to obtain approval to carry medication. Please use the link <https://mohap.gov.ae/en/services/issue-of-permit-to-import-medicines-for-personal-use> to view the guidelines. A user's guide is available to explain the application and the supporting documents required.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

For guests transiting via Europe, an additional overnight flight will be required. Day rooms or overnight stays can be arranged for a cost upon request.

Internal flights are required in order to participate on this tour and are included in the final price, quoted at time of booking.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
